Mr. Stone Williams,
24th Infantry Board,
Fort Benning, Ga.

Dear Friend:

I have written several letters down to Camp trying to get information about training there next Spring, but up to the present time have received no reply. The reason I wrote to Corporal King and Captain Schepps is because they answered our letters concerning the games we booked down there last Fall, but I am writing you now because I know you will take care of this matter for me.

I want you to give me information, or probably you can arrange it yourself for the Club(The Newark Eagles Baseball Club) to train at Fort Benning for a month. Whatever you do in this matter for me will be greatly appreciated.

How are the Boys in the Band, tell all that I say "Hello" I hope to see you in the Spring. If I come there and look your Team over and it looks strong enough, I probably can book you some games during the Summer.

I see where your Basketball Team is going strong, I hope you fellows keep up the good work.

Trusting to hear from you immediately, because we have to select our training site in the near future.

Hoping you are enjoying the best of health. With best regards, I remain

Yours truly,

DL:CCJ
